Annual Court Managers Conference

Scholarship Application

Annually, the Michigan Court Administration Association (MCAA) offers scholarship opportunities for members who want to attend the Michigan Court Managers Conference (Conference), but do not have funding available through their court budget. To qualify, you must be an active MCAA member for at least 6 months prior to the start date of the upcoming Conference, and certify which Conference expenses will **not** be paid (or reimbursed) by your funding unit. *While all applicants will be eligible for scholarship funding, priority will be given to individuals who have not received prior funding.*

The number and amount of scholarship awards will be determined by the MCAA President and 2nd Vice President (Conference Chair) on an annual basis according to the resources available and the number of applications made. Scholarship awards first will be applied toward payment of the Conference registration fee, with any balance paid directly to the recipient for documented expenses.
