THE SOARING ABOVE THE REST AWARD

Dear Members,

This is your chance to nominate one of your colleagues for recognition by their peers. The Michigan Court Administration Association presents four “serious” awards at the annual spring conference. We also have a little bit of fun by awarding people for funny things that have happened throughout the year.

The requirements for the “serious” awards are listed below.

The requirements for the “fun” awards.....when submitting nominations, please give as much detail as possible and a contact person that we can reach out to if needed for further information.

**COURT ADMINISTRATOR OF THE YEAR** – *This award is for MCAA members only.* Please nominate someone that you feel has made a noticeably significant contribution to the field of court administration and management.

**RISING STAR AWARD** – *This award is for MCAA members only.* The nominee of this award is a court administrator or deputy court administrator with five or fewer years of experience in the position. The nominee has made significant accomplishment(s) in their position that demonstrates a promising future as a leader in court administration.

**DAVE WALSH DISTINGUISHED SERVICE AWARD** – *Need not be a court administrator or a member of MCAA.* The nominee must be someone who has made a significant contribution to the enhancement of the profession of court administration over an extended number of years.

**SOARING ABOVE THE REST AWARD** – *This award is for MCAA members only.* The nominee is an individual that has contributed in a distinctive way to improve the lot of those less able to help themselves, devoted himself/herself to sustain and selfless voluntary service or shown innovation and/or creativity in delivering lasting results.

The awards will be presented at the annual Michigan Court Manager’s Conference in May.
